

Welcome To Sharechalisa

- * Let us introduce ourselves.
- * Sharechalisa is developed by the team of experts who have vast experience in the field of financial markets (especially stock market).
- * The team is fully dedicated to give research, technical and derivatives based calls to its clients.
- * Our calls are also based on relevant market information, market insider, rumors, fund based activity and all.
- * Other than the calls our team also updates its clients with the event happening in coming days and impact of it on sectors or stocks. This service of ours is entirely different from others.
- * We offer free trail for a week only and then charge accordingly as per mentioned on our blog.
- * Kindly visit our blog daily for Morning calls.

We are unable to update our contents on daily basis due to some problems.

Follow us on twitter and get updated with market happenings. Join us at www.twitter.com/sharechalisa Also join us at sharechalisa@ymail.com and keep updated urself with latest happenings in the market.

Don't go with general masses and cry for your losses, instead hold your positions for smarter come back.

Get the insight of the market with high level of Accuracy.

We give calls backed up by technical and Fundamental basis. We will also tell you the reason as why movement wud be there in particular stocks.

Any suggestion or correction are welcome. Kindly mail us your views at sharechalisa@ymail.com

Join us today and get the advantage of day to day activities of Stock Market.

** Our recommendations are based on reliable & authenticated sources believed to be true & correct and also is technical analysis based on & conceived from charts technical indicators & etc methods which change as the markets are dynamic and we are not liable for any loss that could occur as a result of our recommendations. Investors & traders should take their own decisions. We assume no responsibility for any transactions undertaken by them. We won't be liable or responsible for any legal or financial losses made by anybody.*

Keep track on our calls given in Morning letter and also through messenger as free trial during Market hours and you will see the difference. We sometimes miss our target on intraday basis due to high volatility but believe us if you keep track on our short term delivery calls, they give good returns. Join us today for better calls. Our subscription rates are much lower in comparison to our profits.

Our teams of Experts recommend calls during market hours both for Intraday and Short Term Delivery. For such calls join our yahoo messenger at sharechalisa@ymail.com .We give less but try to generate good calls in order to make profit in market. Also go thru our blog <http://www.sharechalisa.blogspot.com/> for Morning and after closing market updates. We Wish U all the best for Trading.
